

GOMB 2014 State Operating Budget Detail Data File

Governor's Office of Management and Budget

March 6, 2013

This data file titled "GOMB 2014 State Operating Budget Detail" contains Fiscal Year 2014 operations budget historical and proposed appropriations for state budgeted entities. The data is sortable by Budgeting for Results categories "Statewide Result Area," and "Statewide Outcome name." The file is provided by the Governor's Office of Management and Budget (website: <http://www.state.il.us/budget/>).

Columns "A"- "J" contain the statewide result area name, the statewide outcome area name, the agency name, the internal agency organization name and numeric designator, the fund from which the appropriation is made, the appropriation code associated with the appropriation, the appropriation name, and the agency program name.

Columns "K"- "AD" contain the appropriation amounts (\$ thousands) for fiscal years 2012 and 2013, as well as recommended appropriations for fiscal year 2014. Appropriations amounts for each fiscal year are broken out into General Funds (GF), Other State Funds (OF), and Federal Funds (FF).
