Expenditures of Federal Financial Relief Related to COVID-19

In 2020 and 2021, Congress enacted six pieces of legislation to address the impact of COVID-19:

- 1) Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020 — Enacted March 6, 2020
- 2) Families First Coronavirus Response Act (FFCRA) - Enacted March 18, 2020
- 3) Coronavirus Aid, Relief, and Economic Security (CARES) Act - Enacted March 27, 2020
- 4) Paycheck Protection Program and Health Care Enhancement Act — Enacted April 24, 2020
- 5) Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) - Enacted December 27, 2020
- 6) American Rescue Plan Act of 2021 (ARPA) - Enacted March 11, 2021

According to estimates from Federal Funds Information for States (FFIS), through these six laws approximately \$52 billion is expected to be directed to Illinois state and local governments (including counties, cities, universities and mass transit districts) and healthcare providers to address COVID-19 response needs. This amount does not include federal assistance programs such as stimulus checks to households, unemployment insurance assistance for individuals, and the Paycheck Protection Program for small businesses.

A large sum of direct aid came to Illinois through a provision in the CARES Act which created the Coronavirus Relief Fund (CRF) for state and local governments. Illinois' share after direct allocations to local governments was \$3.519 billion to cover the state's necessary incurred expenditures in response to COVID-19 between March 1, 2020 and December 30, 2021. Funds were used for agency operational response costs, grants to healthcare providers, rental assistance, grants to small businesses and childcare providers, and grants to local governments.

In March 2021, the American Rescue Plan Act (ARPA) became law. This \$1.9 trillion economic stimulus bill included direct payments to individuals, an extension of enhanced unemployment compensation benefits, direct state and local aid, and several other programs and program modifications to facilitate the nation's recovery from the pandemic.

Some of the larger ARPA allocations included:

- Coronavirus State Fiscal Recovery Fund: \$8.1 billion primarily for COVID-19 related expenditures and to replace revenue lost as a result of the pandemic. Funds may be used for expenses obligated through December 31, 2024 (and fully expended by December 31, 2026). An additional \$254 million is expected to come to Illinois from the Coronavirus Capital Projects Fund to be used for Connect Illinois broadband projects.
- Local Fiscal Recovery Fund: \$6.0 billion. Most of these funds will go directly to large cities (estimated \$2.7 billion) and counties (estimated \$2.5 billion). Approximately \$740 million will flow through the state treasury to smaller ("non-entitlement") cities - the first half of which was distributed by the state in fall 2021.
- Education: \$6.4 billion. Includes \$5.05 billion for public K-12 schools (through Elementary and Secondary Emergency Relief (ESSER) Fund), \$1.3 billion for institutions of higher education (Higher Education Emergency Relief Fund (HEERF)), and \$80 million for private K-12 schools. This is in addition to amounts received from previous legislation for ESSER and HEERF funding.

The fiscal year 2022 budget directed federal dollars received from ARPA to aid businesses and families and invest in Illinois' communities. In addition to dollars for specific programming purposes, ARPA allocated \$8.381 billion to Illinois through the Coronavirus State Fiscal Recovery Fund and the Coronavirus Capital Projects Fund, which will allow the State to make targeted investments with accelerated impact. The fiscal year 2022 budget enacted in June 2021 allocated roughly \$2.8 billion from the Coronavirus State Fiscal Recovery Fund dollars to key areas like infrastructure, violence prevention, education, healthcare, affordable housing, and economic recovery and reserved \$1.5 billion to replace lost revenues to the state, due to the pandemic, to fund essential government services as allowed under ARPA. In April 2022, the remainder of the \$8.381 billion was allocated, including the \$2.7 billion deposited to the Unemployment Trust Fund (PA 102-0696) and \$1.37 billion to a number of agencies for COVID-19 related response. The \$1.37 billion includes support for healthcare providers, funding for grants through the Reimagine Public Safety Act, violence prevention and interruption grants, funding for affordable housing, several new programs to support industries impacted by the COVID-19 Pandemic, and other purposes.

Continued - Expenditures of Federal Financial Relief Related to COVID-19

The following tables detail allocations and spending from the federal bills enacted for COVID-19 relief. These tables illustrate expenditures from fiscal year 2021 or fiscal year 2022 appropriations compared to the federal award amount. In several appropriations, amounts for the enhanced federal awards are combined with other programmatic appropriations and will not directly line up with the COVID-19 response award amount.

Below are the expenditures from the Coronavirus Relief Fund allocations.

Travel Restrictions: Effective March 13, 2020, all forms of travel that are not mission essential to the operations of a state agency were cancelled or put on hold indefinitely.

Municipal Liquidity Facility Borrowing: In order to maintain adequate cash flow in spite of significant declines in state revenue sources related to the pandemic, GOMB executed two separate borrowing transactions through the Federal Municipal Liquidity Facility program. The second borrowing was executed in December 2020, totaling \$2.0 billion. Repayment of this borrowing was completed in January 2022, nearly two full years early.

- (5) any additional items reasonably requested by the Commission.

[...]

(d) The Legislative Budget Oversight Commission shall consist of the following members:

- (1) 7 members of the House of Representatives appointed by the Speaker of the House of Representatives;
- (2) 7 members of the Senate appointed by the Senate President;
- (3) 4 members of the House of Representatives appointed by the Minority Leader of the House of Representatives; and
- (4) 4 members of the Senate appointed by the Senate Minority Leader.
