Estimates compiled by the Governor's Office of Management and Budget (including data from the Illinois Office of the Comptroller) June 30, 2023.

¹This value represents the estimated Health Insurance Reserve Fund (HIRF) vouchers held at the Comptroller's Office, net of pending transfers from the General Funds to HIRF.

²GOMB includes all state group health insurance bills on hold as reported by Central Management Services including interest. Prior to August 2018, when the uncleared transfers to HIRF exceeded the pending HIRF vouchers held at the Comptroller, the uncleared transfers in excess of the pending vouchers are netted from this value.

³Human services agencies include Department of Human Services, Department on Aging, Department of Healthcare and Family Services non-Medical bills and Department of Children and Family Services. Total does not include the Department of Healthcare and Family Services from July 2013 forward because the Medicaid bills-in-process are processed to the Comptroller in under 30 days, and the Department has sufficient FY23 spending authority.

⁴Estimated bills held at agencies represent the General Funds liabilities and late-payment interest penalties as reported by all state agencies. Prior to December 2017, this estimate included information only from selected state agencies (DHS, Aging, HFS, DOR, DOC and CMS).
